

Contract Confirmations

Confirmations vary from to supplier to supplier, but you can expect most of them to be received within 5 business days.

If you don't receive a confirmation by then please reach out to confirmations@navigatepower.com.

Once received please look over the following details:

- Start date
- Confirmed annual usage/ term usage
- Margin
- Number of accounts

If there are any errors with any of the booking details, please reply to the confirmations email for resolution.

All confirmations will include a copy of booked contract.

Please save both confirmation & contracts for your records.
