1. Rate:

a. Variable Rate: The rate will be a variable month to month rate. The rate will be established each month based upon electricity market pricing, transportation or transmission, commodity prices, and other factors, which may cause volatility in your monthly rate from time to time. Unforeseen events in the energy market may cause our price to be higher or lower than the standard offer price in any particular month. The rate charged on your utility bill may include applicable sales tax and gross receipts tax if such taxes do not show on your bill as a separate line item.

b. Fixed Rate: The rate will remain constant for the Term detailed herein this agreement. The fixed rate may be higher or lower than what your standard offer price would be in any particular month. The fixed rate detailed herein does not include applicable taxes. The rate charged on your utility bill may include applicable sales tax and gross receipts tax if such taxes do not show on your bill as a separate line item.

2. Term:

a. Variable Rate Customer: This Agreement is for an indefinite period of time and is terminable by the customer at any time without penalty. Your service with us will start on your next available meter read date once the Agreement is accepted by us.

b. Fixed Rate Customer: Subject to the Agreement being accepted by us, your fixed rate with us shall commence on the first available meter read date on or after the Start Date, and end on the first available meter read date on or after the End Date. If we are unable to timely enroll an account, the Start Date will commence on the next regularly scheduled LDC meter read date, and the fixed rate will remain in effect until the first meter read date on or after the End Date set forth herein. We shall not be liable for any failure to enroll or drop an account by the Start Date or End Date due to circumstances beyond our control. If a renewal agreement is not executed prior to the expiration date, your account(s) will automatically be switched to and billed on our standard Variable Rate at that time to which you agree to pay in accordance with Paragraph 4 below. You may instruct us at any time prior to the expiration to return your accounts to your LDC at the expiration of the Agreement.

3. Termination Rights: Any or all of your account(s) that are terminated or cancelled shall be returned to the standard offer service. It may take as little as two days up to a few billing cycles for your account(s) to be returned to the standard offer service depending on your meter read date and date you notify us to cancel. You are required to pay all of the charges for the electricity supplied by us until such time as the Utility or other supplier actually begins supplying the electricity to your account(s).

a. Variable Rate Customer: There is no fee if you terminate your service with us and you may cancel at any time by contacting us by phone, mail or email. FPP may cancel this agreement at any time for any reason. If you are more than 40 days late paying your bill, we may terminate this agreement and switch you back to the standard offer service without notice. Physical cut-off of electric service shall be controlled solely by the electric distribution company under its current termination rules.

b. Fixed Rate Customer: If you are more than 40 days late paying your bill, we may terminate this agreement and switch you back to the standard offer service without notice. Should you terminate this Agreement before the term expires or if we drop you for non-payment of your bill you hereby agree to pay us an early terminate fee for failure to adhere to these within terms and conditions:

i. Residential Customer: One-time early termination fee of \$100.00 per residential account.

ii. Commercial Customer: You may terminate this Agreement, in whole or as relating to any single account that is included in this Agreement, by providing thirty (30) days advance written notice to FPP setting forth the reasons for such termination. In the event that you terminate this Agreement, you shall pay to FPP, as an “Early Termination Fee” consisting of the following: payment at the rate specified in this Agreement (including any applicable late payment fees and taxes) for service provided by FPP prior to the effective date of the termination for which you have not already made payment, plus: for a fixed price contract, payment at the rate specified in this Agreement as though service was provided to you by FPP, based on your historical usage, from the effective date of the termination through the balance of the Term, less any revenues received by FPP as a result of any liquidation or resale of the electric supply purchase commitments entered into by FPP to provide service to you over the entire Term of this Agreement.

4. Billing Payment & Fees: First Point Power will bill you through your Local Distribution Company’s (“LDC”) consolidated billing program, payment is due in accordance with the LDC’s rules. In the event that your LDC does not accept or subsequently removes some or all of your accounts from its consolidated billing program, We have the option to: (i) bill you separately for the electric supply you receive from Us or (ii) terminate this Agreement as to some or all of your accounts and return such accounts to your LDC for your electric supply. In the event that we exercise the option to bill you separately, payment is due within fifteen five (15) days of the date on the invoice and if payment is not received within such fifteen five (15) day period, it is considered late. If we bill you separately, late payments or partial payment balances will be subject to a late fee of 2.00% per month, or the maximum rate allowable by law, whichever is less. Under consolidated billing, a late payment charge will be assessed at the same rate and in the same manner as your LDC applies late payment charges to its unpaid charges. You shall reimburse FPP for any collection fees we incur in collecting any outstanding invoices, charges, or Early Termination Fees as described in Paragraph 3, above.

5. Budget Plan: FPP does not offer a budget plan at this time.
