

# PROVEN RESULTS HOW FREEPOINT IS CHANGING THE GAME FOR ENERGY BROKERS & CONSULTANTS

Freepoint Energy Solutions' commitment to our aggregator, broker and consultant (ABC) partners has remained simple and straightforward since day one: We are dedicated to serving the best interests of our ABC partners and our end-use customers. The Energy Research Consulting Group (ERCG), which provides business intelligence and consulting services to Energy market participants, has published their 2018 National ABC Study. This study, which highlights prominent energy suppliers as rated by over 150 leading ABCs, ranked 54 suppliers in this year's survey. See below how well Freepoint measured up!

## VOLUME GROWTH

Freepoint Energy Solutions was 2018's #1 supplier based on ABC volume growth. Over half (56) of our ABC partners cite a significant increase in business with Freepoint over the last 12- months.

## WE MAKE IT EASY

Freepoint earned the Excellence Award and #2 ranking for Ease of Doing Business by offering our brokers:

- ✓ A quick and transparent quote and contracting process.
- ✓ On-time (and accurate!) commissions.
- ✓ On-time (and accurate!) customer billing.
- ✓ An organizational commitment to timely issue resolution.

## PRICING & SATISFACTION

By leveraging our wholesale expertise, vast experience in retail, and commitment to the ABC community we're working hard to ensure that our brokers consistently receive a best-in-class experience.

RANKED IN THE TOP 10 NATIONALLY

in every major ERCG category including Pricing and Overall Satisfaction.

We started with a small team of dedicated industry veterans, and the idea to create a focused, smart, and fair supplier. Our vision is catching on, and in just over two years we're making a big impact. The industry is challenging and evolving, and we work every day to make it better.
