

Good Morning!
Please review attached Daily Pricing for today.

MATRIXDETAILS:

- Matrix pricing is based on an "average" customer profile and load. Custom pricing may have different rate options available.

- Matrix pricing is for New Service customers only. Renewal contracts require custom pricing.

- Matrix pricing is for monthly metered (Firm/Choice) accounts only. ITS/GTS/Industrial accounts will require custom pricing.

- Usage Limit: 1,000,000 kWh or 100,000 therms

- Matrix pricing does not include any broker adder. You will need to add your margin to the rates presented.

- Matrix broker adder caps:
 - \$0.10/therm (GA/FL/NJ)
 - \$0.15/CCF (OH)

- Matrix pricing is valid to the end of each business day.
