

Little Village Chamber of Commerce: Electric and Natural Gas

Overview

Little Village is a thriving commercial area in Chicago's West Side with more than 1,000 businesses that offer a vast array of goods and services. It is also home to the largest Mexican community in the Midwest, a fact reflected by the many unique Mexican specialty products available from merchants in the area. The Little Village Chamber of Commerce (LVCC) is a membership organization that has represented the interests of local businesses for more than 30 years.

Opportunity

LVCC was looking for a trusted partner to help its member businesses save money on their electric and natural gas bills. Working with a true energy partner like Navigate Power allows more time for community businesses to focus on their operations and put their energy needs in trusted hands.

	ComEd Electric Default Supply Program	36 Month Protection Program
Annual Usage (kWh)	96,000.00	96,000.00
Projected Average Rate (\$/kWh)*	0.07950	0.06860
Estimated Costs (\$)	7,632.00	6,585.60
Annual Savings (\$)	-	1,046.40
Term Savings		3,662.40

*Based on current market conditions and projections.

Solution

Navigate Power's experience and vast supplier relationships provided more than 15 competitive pricing options for businesses across Little Village. LVCC selected a 36-month fixed rate plan which offered the most significant savings. LVCC Executive Director Don Jaime di Paulo was particularly impressed that the LVCC saved more than \$1,046 in the first year and will save more than \$3,600 in the next three years.

Navigate Power is a fully licensed energy procurement and management consulting firm, headquartered in Chicago, IL.
