Opportunity

Fairhill Partners is a budget-conscious not-for-profit organization that reinvests every dollar in its campus. Fairhill Partners was searching for a partner to help achieve an optimal purchasing strategy for both its electric and natural gas supply.

Solution

Fairhill Partners has partnered with Navigate Power for multiple cycles of its electric and gas procurement. Through a combination of market expertise, data analysis, and futures market projection models, Navigate Power has advised Fairhill on several purchases resulting in significant savings.
