Electricity Supply Agreement – Fixed Price Solutions
CUSTOMER DISCLOSURE STATEMENT***

Length of the agreement and end date:	Your agreement with us becomes binding once signed by both of us. Subject to successful enrollment of your Account(s), we will supply each Account with electricity starting on or about the date set forth on the Account Schedule below under “Start Date”, through on or about the date set forth on the Account Schedule below under “End Date”, unless extended on a holdover basis as described in this Agreement. We will use commercially reasonable efforts to begin service to each Account on the actual meter read date on or about the Start Date. However, if we are unable to timely enroll an Account, the Start Date will commence on the next regularly scheduled UDC meter read cycle date following successful enrollment.														
Process customer may use to rescind the agreement without penalty.	As a commercial or industrial customer (rather than a residential customer), once you have signed a valid and binding agreement with us, you have no right to rescind our agreement without penalty.														
Amount of early termination fee and method of calculation:	If you terminate our contract prior to the End Date as stated above other than due to our default as specified in the agreement, you may be liable for an early termination payment calculated as the difference between (1) the prices below multiplied by the remaining anticipated usage of your account(s) and (2) the amount we would be able to resell such related services. This calculation will also apply to any subsequent Retail Trade Transactions you enter into to fix the price for a portion of your usage or for green renewable energy certificates. You will also be liable for all past due amounts as well as any costs incurred by us in connection with collecting any such amounts.														
Amount of late payment and method of calculation:	If you fail to pay within twenty (20) days of the invoice date, you are liable for late payment interest, which will accrue daily on outstanding amounts from the due date until the bill is paid in full at a rate of 1.5% per month or the highest rate permitted by law (whichever is less).														
Provisions for renewal of the agreement:	At the End Date, if for any reason you fail to renew this Agreement and/or if any Account(s) remain designated by the UDC as being served by us, we may continue to serve your Account(s) on a month-to-month holdover basis. In this case, we will charge you a holdover rate for the period following the End Date unless we enter into a new agreement or either of us returns your account(s) to UDC service or as being served by another supplier.														
	The holdover rate is your account(s)'s kilowatt-hour usage in each bill cycle, (as adjusted by the applicable line loss factor) x our estimate of forward market prices (which estimate we may, at our discretion, perform from time to time, but not necessarily on a monthly basis) + a pass through of all costs and charges incurred by us for the retail delivery of energy to you + our fees and profit margin determined at our discretion + Taxes.														
Conditions under which savings to the customer are guaranteed:	There are no guaranteed savings for this product.														
Fixed or Variable, (explanation of how the price is determined):	Your bill is calculated using the fixed prices below and the quantities of use indicated for each price. For each of the items listed as fixed below, this means the item is included in your fixed price. For each of the items listed as passed through below, you will be charged a variable price to cover the costs associated with the item. The prices do not include UDC charges and Taxes. <table style="width: 100%; border: none;"> <tr> <td style="width: 80%;">Energy Cost</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>Ancillary Services And Other ISO Costs</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>Capacity Costs</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>Line Loss Costs</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>NY TOTS Project Costs</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>NY ZEC Program Costs</td> <td style="text-align: right;">Fixed</td> </tr> <tr> <td>NY REC Program Costs</td> <td style="text-align: right;">Fixed</td> </tr> </table>	Energy Cost	Fixed	Ancillary Services And Other ISO Costs	Fixed	Capacity Costs	Fixed	Line Loss Costs	Fixed	NY TOTS Project Costs	Fixed	NY ZEC Program Costs	Fixed	NY REC Program Costs	Fixed

FOR INTERNAL USE ONLY

(“Customer”) AND Constellation NewEnergy, Inc. (“Seller”) AGREE AS FOLLOWS:

Defined Terms. Capitalized terms have the meanings set out in this Electricity Supply Agreement, including the attached General Terms and Conditions (“Agreement”); generally the words “you” and “your” refer to the Customer listed above and the words “we” and “us” refer to Seller, unless the context clearly requires otherwise.

Purchase and Sale of Electricity. You will purchase and receive, and we will sell and supply all of your electricity requirements at the prices set forth below for each account identified in the Account Schedule below (“Account”). By signing this Agreement, you authorize us to enroll each Account with your UDC so that we can supply those Account(s). You will take such actions as we request to allow us to enroll each Account in a timely manner. You agree that we may select such sources of energy as we deem appropriate to meet our obligations under this Agreement. We will enroll each Account with the applicable UDC as being supplied by us and will take such other actions with the applicable UDC and ISO necessary for us to meet our obligations under this Agreement.

The specific prices for each Account are set forth in the Account Schedule, below.

You are also responsible to pay (1) Taxes - which we will pass through to you on your bill or as part of the price of electricity, as may be required by law, rule or regulation and (2) UDC charges for delivery/distribution services if we provide you a single bill that includes UDC charges. Your prices are fixed for the existing term of this Agreement and only subject to change if there is a change in law, as described in Section 5 of the General Terms and Conditions below. The UDC charges (if any) and Taxes are charged to you as a “pass-through,” which means they will change during the existing term of this Agreement if and as the related charges assessed or charged vary for any reason, including but not limited to the types of changes described above.

Cost Components. For each of the items listed as “Fixed” below, this means the item is included in your contract prices as set forth in the Account Schedule. For each of the items listed as “Passed Through” below, this means that you will be charged the costs associated with the line item in accordance with the definitions of each item in Section 1, Definitions of the General Terms and Conditions.

Energy Costs	Fixed
Ancillary Services And Other ISO Costs	Fixed
Capacity Costs	Fixed
Line Loss Costs	Fixed
NY TOTS Project Costs	Fixed
NY ZEC Program Costs	Fixed
NY REC Program Costs	Fixed

The contract prices contained in the Account Schedule include any credit costs and margin.

NY TOTS Project Costs: Customer’s contract price **includes** New York Transmission Owner Transmission Solution (“TOTS”) Project Costs. Such NY TOTS Project Costs are considered “Fixed” under this Agreement and are included in the contract price. In the event that the NY TOTS Project Costs are modified, amended or otherwise adjusted in any way, then any such modification, amendment or adjustment may be deemed a change in law pursuant to terms of this Agreement. **“NY TOTS Project Costs”** means costs implemented by the NYISO and associated with the development of the transmission facilities in New York as approved by the Federal Energy Regulatory Commission (“FERC”) pursuant to order 154 FERC 61,196 issued on March 17, 2016.

Retail Trade Transactions. At any time during the term of this Agreement, you may request the purchase of renewable energy certificates in an amount equal to a prescribed percentage of your load volume by entering into one or more Retail Trade Transactions (“RTTs”) between us. If we both agree to the pricing and terms of the renewable energy certificates purchase, a separate RTT Confirmation signed by both of us will document each such purchase and be incorporated herein.

Term. This Agreement will become effective and binding after you have signed this Agreement and we have counter-signed. Subject to successful enrollment of your Account(s), this Agreement shall commence on or about the date set forth under “Start Date” and end on or about the date set forth under “End Date”, unless extended on a holdover basis as described in this Agreement. The actual Start Date is dependent on the UDC successfully enrolling the Account(s) and furnishing us with all necessary information regarding the Account(s) meter read cycle and meter read date(s). The dates set forth in the Account Schedule below reflect UDC information available at that time or as otherwise estimated by us. The actual meter read dates may occur on or about the dates set forth herein. We will use commercially reasonable efforts to begin service to each Account(s) on the actual meter read date on or about the Start Date set forth herein. If we are unable to timely enroll an Account, the Start Date will commence on the next regularly scheduled UDC meter read cycle date following successful enrollment. The End Date will remain the same unless extended for a holdover term. We shall not be liable for any failure to enroll or drop an Account by the Start and End Date due to circumstances beyond our control. We will not be responsible for any gaps in service that may occur between the termination of your service from a prior supplier and the commencement of supply from us.

Nothing in this Agreement shall be deemed to require or otherwise obligate us to offer to extend the initial term of this Agreement. If following termination or expiration of this initial term of this Agreement (whether in whole or in part), for any reason, some or all of the Accounts remain designated by the UDC as being supplied by us, we may continue to serve such Account(s) on a month-to-month holdover basis. During such holdover term, we will calculate your invoice as follows: Each Account’s kilowatt-hour usage in each bill cycle, (as adjusted by the applicable line loss factor) x our estimate of forward market prices (which estimate we may, at our discretion, perform from time to time, but not necessarily on a monthly basis) + a pass through of all costs and charges incurred by us for the retail delivery of energy to you + our fees and profit margin determined at our discretion + Taxes. Holdover rates can be inherently volatile and may exceed available fixed rates, utility rates and other market provider rates so consideration should be given to whether you would prefer a new fixed rate versus the potential volatility of holdover rates. This Agreement will continue to govern the service of such Accounts during such holdover term. Either party may terminate the holdover term at any time within its discretion at which time we will drop each Account as of the next possible meter read date to the then applicable tariff service, whether default service or otherwise.

Supply of electricity under this Agreement is conditioned upon (1) our review and approval of your creditworthiness, (2) our verification of the accuracy and completeness of all the information that you provide to us regarding your electricity usage and the Account(s), including confirmation by the UDC of your actual load data, upon which we relied in entering into this Agreement, and (3) your Account(s) being accepted into the retail access program established by the UDC. We shall have the right to terminate this Agreement upon 15 days' notice without penalty if any of these conditions are not met to our satisfaction.

Your Invoice. Your invoice will contain all charges applicable to your electricity usage, including Taxes (which are passed through to you). You will receive one invoice from the UDC for UDC charges and one invoice from us for all other charges ("Dual Billing"), unless we agree otherwise, or your Account(s) eligibility changes. All amounts charged are due in full within **twenty (20)** days of the invoice date, and we reserve the right to adjust amounts previously invoiced based upon supplemental or additional data we may receive from your UDC. Your invoices will be based on actual data provided by the UDC, provided that if we do not receive actual data in a timely manner, we will make a good faith estimate using your historical usage data and other information. Once we receive actual data we will reconcile the estimated charges and adjust them as needed in subsequent invoices. If you fail to make payment by the due date, interest will accrue daily on outstanding amounts from the due date until the bill is paid in full at a rate of **1.5%** per month, or the highest rate permitted by law, whichever is less. All invoices (including adjustments thereto) are conclusively presumed final and accurate unless such invoices are objected to by either Party in writing, including adequate explanation and/or documentation, within 24 months after the date such invoice was rendered, provided however, Constellation may rebill based on post-period audits or adjustments made by the ISO, UDC, or other governmental authority, commission or agency with jurisdiction in the state in which the Accounts are located.

Certain Warranties. You warrant and represent that for Account(s) located in the State of New York that the electricity supplied under this Agreement is not for use at a residence. You acknowledge and agree that title passes from us to you at the ISO/UDC interconnect.

Notices. All notices will be in writing and delivered by hand, certified mail, return receipt requested, or by first class mail or by express carrier to our respective business addresses. Our business address is 1001 Louisiana St, Suite 2300, Houston, Texas 77002, Attn: Contracts Administration. Either of us can change our address by notice to the other pursuant to this paragraph.

Customer Service. For questions about your invoice or our services, contact us at our Customer Service Department by calling toll-free 833-848-6938, or by e-mail at customer@constellation.com. Your prior authorization of us to your UDC as recipient of your current and historical energy billing and usage data will remain in effect during the entire term of this Agreement, including any renewal, unless you rescind the authorization upon written notice to us or by calling us at 1-833-848-6938. We reserve the right to cancel this Agreement in the event you rescind the authorization.

Consumer Protections. The New York State Department of Public Service (DPS) will not resolve disputes or complaints associated with the services provided under this Agreement. However, the DPS will monitor inquiries and contacts from non-residential customers regarding energy service companies, and an excessive number of confirmed complaints may result in an energy service company no longer being eligible to supply electricity or natural gas in New York State. The DPS Office of Consumer Services can be reached: by telephone toll free at 1-888-697-7728; in writing at: New York State Public Service Commission, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223; or by visiting www.dps.state.ny.us.

General Terms and Conditions

1. Definitions.

"Ancillary Services And Other ISO Costs" means for any billing period the applicable charges regarding ancillary services as set forth in the applicable ISO Open Access Transmission Tariff ("OATT") and for other ISO costs not otherwise included in any of the defined cost components in this Agreement. We will reasonably determine your Account's monthly Ancillary Services And Other ISO Costs based on the Account's \$/kWh share of costs for Ancillary Services And Other ISO Costs or otherwise reasonable allocation method as we may determine from time to time based on how Ancillary Services And Other ISO Costs are assessed by the ISO.

"Capacity Costs" means a charge for fulfilling the capacity requirements for the Account(s) imposed by the ISO or otherwise.

"Energy Costs" means a charge for the cost items included in the Locational Marginal Price for the ISO zone identified in the Account Schedule

"ISO" means the independent system operator or regional transmission organization responsible for the service territory governing an Account, or any successor or replacement entity.

"Line Loss Costs" means the costs (to the extent not already captured in the applicable Energy Costs) applicable to each Account based on the kWh difference between the UDC metered usage and the ISO settlement volumes. If Line Loss Costs are "Fixed," the Line Loss Costs are included in the Energy Costs and will not be invoiced as a separate line item. If Line Loss Costs are "Passed Through," the Line Loss Costs will be invoiced as a separate line item and calculated based on the applicable fixed price or locational marginal price for the corresponding usage.

"Non Time Of Use" or "NTOU" means all hours of each day.

"NY ZEC Program Costs" means any costs related to the purchase of zero-emissions credits ("ZEC's") from New York nuclear generating facilities associated with the "Order Adopting a Clean Energy Standard" in DPS Case 15-E-0302.

"NY REC Program Costs" means any costs related to the purchase of eligible renewable energy certificates ("REC's") associated with the "Order Adopting a Clean Energy Standard" in DPS Case 15-E-0302.

"Off Peak" means all hours other than Peak hours.

"Peak" means the hours designated as peak from time to time by the UDC.

"Taxes" means all federal, state, municipal and local taxes, duties, fees, levies, premiums or other charges imposed by any governmental authority, directly or indirectly, on or with respect to the electricity and related products and services provided under this Agreement, including any taxes enacted after the date we entered into this Agreement.

"UDC" means your local electric distribution utility owning and/or controlling and maintaining the distribution system required for delivery of electricity to the Accounts.

"UDC Charges" means all UDC costs, charges, and fees, due under UDC's delivery services rates associated with your use of UDC's distribution network, all as defined by the UDC tariffs, and any similar or related charges the UDC may impose from time to time.

2. Cash deposit and other security. At any time, we may require that you provide information to us so that we may evaluate your creditworthiness. We reserve the right to require that you make a cash deposit or provide other security acceptable to us if your financial obligations to us increase under this Agreement, or if, in our opinion, your credit, payment history, or ability to pay your bills as they come due becomes a concern. You will deliver any required cash deposit or other required security (or any increase therein) within three (3) business days of our request.

3. Default under this Agreement. You will be in default under this Agreement if you fail to: pay your bills on time and in full; provide cash deposits or other security as required by Section 2 above; or perform all material obligations

under this Agreement and you do not cure such default within 5 days of written notice from us; or if you declare or file for bankruptcy or otherwise become insolvent or unable to pay your debts as they come due. We will be in default under this Agreement if we fail to perform all material obligations under this Agreement and do not cure such default within 5 days written notice from you, or if we declare or file for bankruptcy or otherwise become insolvent or unable to pay our debts as they come due.

4. Remedies upon default; Early Termination Payment. If you are in default under this Agreement, in addition to any other remedies available to us, we may terminate this Agreement entirely, or solely with respect to those Accounts adversely affected by such default, and switch your Account(s) back to UDC service (consistent with applicable regulations and UDC practices); and/or you will be required to pay us an early termination payment to compensate us for all losses we sustain due to your default, including:

- all amounts you owe us for electricity provided to you;
- the positive difference, if any, between (A) the price you would have paid us under this Agreement had it not been terminated early (including our margin), less the then-current market price of electricity and services under terms substantially similar to the terms of this Agreement, as reasonably calculated by us based on information available to us internally or supplied by one or more third parties; multiplied by (B) the estimated undelivered volume of electricity you would consume through the end of the term, as reasonably calculated by us; and
- all costs (including attorneys' fees, expenses and court costs) we incur in collecting amounts you owe us under this Agreement.

The parties agree that any early termination payment determined in accordance with this Section is a reasonable approximation of harm or loss, and is not a penalty or punitive in any respect, and that neither party will be required to enter into a replacement transaction in order to determine or be entitled to a termination payment.

5. Changes in law. We may pass through or allocate, as the case may be, to you any increase or decrease in our costs related to the electricity and related products and services sold to you that results from the implementation of new, or changes (including changes to formula rate calculations) to existing, Laws, or other requirements or changes in administration or interpretation of Laws or other requirements. "Law" means any law, rule, regulation, ordinance, statute, judicial decision, administrative order, ISO business practices or protocol, UDC or ISO tariff, rule of any commission or agency with jurisdiction in the state in which the Accounts are located. Such additional amounts will be included in subsequent invoices to you. The changes described in this Section may change any or all of the charges described in this Agreement, whether described as "fixed," "variable," "pass-through" or otherwise. Your first bill reflecting increased costs will include a bill insert describing the increase in costs in reasonable detail.

6. Events beyond either of our reasonable control. If something happens that is beyond either of our reasonable control that prevents either of us from performing our respective obligations under this Agreement, then whichever one of us cannot perform will be relieved from performance until the situation is resolved. Examples of such events include: acts of God, fire, flood, hurricane, war, terrorism; declaration of emergency by a governmental entity, the ISO or the UDC; curtailment, disruption or interruption of electricity transmission, distribution or supply; regulatory, administrative, or legislative action, or action or restraint by court order or other governmental entity; actions taken by third parties not under your or our control, such as the ISO or a UDC. Such events shall not excuse failure to make payments due in a timely manner for electricity supplied to you prior to such event. Further, if such an event prevents or makes it impossible or impracticable for the claiming party to carry out any obligation under this Agreement due to the events beyond either of our reasonable control for more than 30 days, then whichever one of us whose performance was not

FOR INTERNAL USE ONLY

prevented by such events shall have the right to terminate this Agreement without penalty upon 30 days' written notice to the other.

7. UDC or ISO obligations. We will have no liability or responsibility for matters within the control of the UDC or the ISO-controlled grid, which include maintenance of electric lines and systems, service interruptions, loss or termination of service, deterioration of electric services, or meter readings.

8. Limitation on Liability. IN NO EVENT WILL EITHER PARTY OR ANY OF ITS RESPECTIVE AFFILIATED COMPANIES BE LIABLE FOR ANY CONSEQUENTIAL, EXEMPLARY, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST OPPORTUNITIES OR LOST PROFITS NOT CONTEMPLATED BY SECTION 4. Each party's total liability related to this Agreement, whether arising under breach of contract, tort, strict liability or otherwise, will be limited to direct, actual damages. Direct, actual damages payable to us will reflect the early termination payment calculation in Section 4. Each party agrees to use commercially reasonable efforts to mitigate damages it may incur. NO WARRANTY, DUTY, OR REMEDY, WHETHER EXPRESSED, IMPLIED OR STATUTORY, ON OUR PART IS GIVEN OR INTENDED TO ARISE OUT OF THIS AGREEMENT, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. DISPUTE RESOLUTION. THIS AGREEMENT WILL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE IN WHICH ANY ACCOUNT IS LOCATED, WITHOUT GIVING EFFECT TO ANY CONFLICTS OF LAW PROVISIONS, AND ANY CONTROVERSY OR CLAIM ARISING FROM OR RELATING TO THIS AGREEMENT WILL BE SETTLED IN ACCORDANCE WITH THE EXPRESS TERMS OF THIS AGREEMENT BY A COURT LOCATED IN SUCH STATE. IF THE MATTER AT ISSUE INVOLVES ACCOUNTS OR MATTERS IN MORE THAN ONE STATE, THE GOVERNING JURISDICTION AND VENUE SHALL BE DEEMED TO BE NEW YORK. TO THE EXTENT ALLOWED BY APPLICABLE LAW, WE ALSO BOTH AGREE IRREVOCABLY AND UNCONDITIONALLY TO WAIVE ANY RIGHT TO A TRIAL BY JURY OR TO INITIATE OR BECOME A PARTY TO ANY CLASS ACTION CLAIMS WITH RESPECT TO ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT.

10. Relationship of Parties; Representations and Warranties. We are an independent contractor, and nothing in this Agreement establishes a joint venture, fiduciary relationship, partnership or other joint undertaking. We are not acting as your consultant or advisor, and you will **not rely** on us in evaluating the advantages or disadvantages of any specific product or service, predictions about future energy prices, or any other matter. Your decision to enter into this Agreement and any other decisions or actions you may take is and will be based solely upon your own analysis (or that of your advisors) and not on information or statements from us. You represent (i) you are duly organized and in good standing under the Laws of the jurisdiction of your formation; (ii) you are authorized and qualified to do business in the jurisdiction necessary to perform under this Agreement; (iii) execution, delivery and performance of this Agreement are duly authorized and do not violate any of your governing documents or contracts or any applicable Law; and (iv) if you are a Governmental Entity, you further warrant (a) you have complied with all applicable bidding and procurement laws in awarding this Agreement, (b) you will not claim immunity on the grounds of sovereignty or similar grounds from enforcement of this Agreement; and (c) you will obtain all necessary budgetary approvals, appropriations and funding for all of your obligations under this Agreement, the failure of which shall not be an excuse for Governmental Entity's performance or failure to perform hereunder and upon request will provide proof of such authority. "Governmental Entity" means a municipality, county, governmental board or department, commission, agency, bureau,

administrative body, joint action agency, court or other similar political subdivision (including a public school district or special purpose district or authority), or public entity or instrumentality of the United States or one or more states.

11. Confidentiality. Consistent with applicable regulatory requirements, we will hold in confidence all information obtained by us from you related to the provision of services under this Agreement and which concern your energy characteristics and use patterns, except that we may, consistent with applicable law and regulation, disclose such information to (a) our affiliates and such affiliates' employees, agents, advisors, and independent contractors, (b) third parties representing you in this purchase of electricity, and (c) other third parties, if the information (i) is presented in aggregate and (ii) cannot be reasonably expected to identify you. Except as otherwise required by law, you will agree to keep confidential the terms of our Agreement, including price. You agree and acknowledge that the information associated with your Account(s) hereunder, including but not limited to usage data, the UDC issued account numbers, service address and any other such information contained in this Agreement are not considered confidential or protected information. Therefore, we are authorized to send unencrypted email messages to you and/or your authorized agent or representative which email may include a copy of this Agreement or other Account(s) related information necessary for us to perform its obligations under this Agreement.

12. Miscellaneous Provisions. If in any circumstance we do not provide notice of, or object to, any default on your part, such situation will not constitute a waiver of any future default of any kind. If any of this Agreement is held legally invalid, the remainder will not be affected and will be valid and enforced to the fullest extent permitted by law and equity, and there will be deemed substituted for the invalid provisions such provisions as will most nearly carry out our mutual intent as expressed in this Agreement. You may not assign or otherwise transfer any of your rights or obligations under this Agreement without our prior written consent. Any such attempted transfer will be void. We may assign our rights and obligations under this Agreement. This Agreement contains the entire agreement between both of us, supersedes any other agreements, discussions or understandings (whether written or oral) regarding the subject matter of this Agreement, and may not be contradicted by any prior or contemporaneous oral or written agreement. A facsimile or e-mailed copy with your signature will be considered an original for all purposes, and you will provide original signed copies upon request. Each party authorizes the other party to affix an ink or digital stamp of its signature to this Agreement, and agrees to be bound by a document executed in such a manner. The parties acknowledge that any document generated by the parties with respect to this Agreement, including this Agreement, may be imaged and stored electronically and such imaged documents may be introduced as evidence in any proceeding as if such were original business records and neither party shall contest their admissibility as evidence in any proceeding. Except as otherwise explicitly provided in this Agreement, no amendment (including in form of a purchase order you send us) to this Agreement will be valid or given any effect unless signed by both of us. Applicable provisions of this Agreement will continue in effect after termination or expiration of this Agreement to the extent necessary, including those for billing adjustments and payments, indemnification, limitations of liability, and dispute resolution. This Agreement is a "forward contract" and we are a "forward contract merchant" under the U.S. Bankruptcy Code, as amended. Further, we are not providing advice regarding "commodity interests", including futures contracts and commodity options or any other matter, which would cause us to be a commodity trading advisor under the U.S. Commodity Exchange Act, as amended.
