Effective July 1, 2020, all prior Cirus brokers will need an executed Vistra broker agreement in order to have customer contracts accepted.

Thank you for your cooperation and welcome to the Vistra family of companies.

All partners should immediately begin to follow all state mandated guideline.

New York and Connecticut pricing is suspended until further notice.

Effective immediately, Vistra Corp reserves the right to enforce margin caps by customer type and size. Please follow the guidelines below:

- No more than **10** broker mils will be allowed on any size deal.
- No more than **6** and **7** mils will be allowed for government and religious entities, respectively. Please contact your sales representative for the full details of the program.

Pursuant to Texas Regulations, for commercial customers please be sure and collect their employee identification number (EIN) or taxpayer identification number (TIN).

Matrix Pricing:

- Our matrix includes three (3) thresholds of pricing:
 - 10 – 100 MWH
 - 100 – 500 MWH
 - 500 – 1,000 MWH
- Terms up to 36 months are eligible for matrix pricing.
- Matrix deals have a maximum future start of 12 months.
- Deals larger than matrix will require custom pricing and a paper contract.
- Rates do not include broker margins. The attached matrix does include a 'Broker Margin' field that allows you to enter a desired Mil Fee. The rates will auto populate with the included fee.
- Deals with more than 10 meters must be custom priced.

Credit:

- All deals *under* 500 MWh require a recent energy bill with **no balance forward** or **late fees**.
- Matrix deals over 500 MWh will require a credit evaluation through **DNBI and/or Experian**.
- All **NON-POR** markets under 500 MWh require 2 recent clean energy bills or a soft credit check.
